# PLAN METRIC — Intake Form Specification

# Zero-guesswork intake with conditional logic

# Build this in Tally (or any form tool that supports conditional visibility)

---

## CONDITIONAL LOGIC KEY

- **SHOW ALWAYS** = every athlete sees this question
- **SHOW IF [condition]** = only appears when the condition is met
- **HIDE IF [condition]** = hidden when the condition is met

---

## SECTION 1: Personal Details

*All questions SHOW ALWAYS*

| # | Question | Field Type | Options / Notes |
|---|---|---|---|
| 1.1 | Full name | Text | Required |
| 1.2 | Email | Email | Required |
| 1.3 | Age | Number | Required. NOT a range — exact number needed for zone calculations and recovery guidance |
| 1.4 | Gender | Select | Male / Female / Non-binary / Prefer not to say |

| | | | |
|---|---|---|---|
| 1.5 | Height (cm) | Number | Required |
| 1.6 | Weight (kg) | Number | Required |
| 1.7 | Location (city, country) | Text | Required. Used for weather/terrain considerations |

---

# SECTION 2: Race & Goal

*Mostly SHOW ALWAYS — some conditional*

| # | Question | Field Type | Condition | Options / Notes |
|---|---|---|---|---|
| 2.1 | What are you training for? | Select | SHOW ALWAYS | Sprint Triathlon / Olympic Triathlon / 70.3 Ironman / Full Ironman / Marathon / Half Marathon / Ultra Marathon / 10K / 5K / Cycling Event / Other |
| 2.2 | Race name and location (if any) | Text | SHOW ALWAYS | Optional |
| 2.3 | Race date | Date Picker | SHOW ALWAYS | Required. DD/MM/YYYY format. No vague "mid September" — exact date needed to calculate plan length |
| 2.4 | What is your main goal? | Select | SHOW ALWAYS | Just finish / Finish strong / Hit a target time / Podium / Qualify for championships |
| 2.5 | Target finish time | Text | SHOW IF 2.4 = "Hit a target time" OR "Podium" OR "Qualify" | e.g. "Sub 5 hours" or "3:30 marathon" |
| 2.6 | Have you completed a race at or longer than this distance before? | Select | SHOW ALWAYS | Yes / No |

| | | | | |
|---|---|---|---|---|
| 2.7 | If yes — most recent finish time at that distance? | Text | SHOW IF 2.6 = "Yes" | e.g. "5:15 for 70.3" or "3:45 marathon" |

**WHY 2.6 + 2.7 MATTER:** Determines whether Base phase is needed. First-timers need it. Experienced athletes can skip to Build.

---

# SECTION 3: Current Fitness — General

*All SHOW ALWAYS*

| # | Question | Field Type | Options / Notes |
|---|---|---|---|
| 3.1 | How long have you been training consistently? | Select | < 3 months / 3–6 months / 6–12 months / 1–2 years / 2+ years |
| 3.2 | Most recent race result (any distance — event name + time) | Text | e.g. "2:35 Olympic triathlon" or "52 min 10K". If none, write "No recent race" |
| 3.3 | Individual split times from that race (if triathlon/multi-sport) | Text | SHOW IF 2.1 = any triathlon option. e.g. "Swim 28:00 / T1 3:00 / Bike 1:12 / T2 2:00 / Run 50:00" |
| 3.4 | Max heart rate (if known) | Number + checkbox | Number field + "I don't know" checkbox. If unknown, we'll estimate from age |
| 3.5 | Resting heart rate (if known) | Number + checkbox | Number field + "I don't know" checkbox. Allows Karvonen formula for more accurate HR zones |

**WHY 3.3 MATTERS:** This is the single most important addition. A total time doesn't tell me which discipline is strong or weak. Splits eliminate 90% of guesswork.

---

# SECTION 4: Discipline Detail — SWIM

*ENTIRE SECTION: SHOW IF 2.1 = any triathlon option HIDE IF 2.1 = Marathon / Half Marathon / Ultra / 10K / 5K / Cycling Event*

| # | Question | Field Type | Condition | Options / Notes |
|---|---|---|---|---|

| | | | | |
|---|---|---|---|---|
| 4.1 | Swim pace — easy (min:sec per 100m) | Text | SHOW IF triathlon | e.g. "2:20" |
| 4.2 | Swim pace — hard/threshold (min:sec per 100m) | Text | SHOW IF triathlon | e.g. "1:55" |
| 4.3 | Current weekly swim volume | Select | SHOW IF triathlon | Not swimming / 1–2 km / 2–4 km / 4–6 km / 6+ km per week |
| 4.4 | Longest continuous swim in last 4 weeks (metres) | Number | SHOW IF triathlon | Determines where race-distance swim building starts |
| 4.5 | Can you swim bilateral breathing (every 3 strokes)? | Select | SHOW IF triathlon | Yes / No / Learning |
| 4.6 | Pool access? | Select | SHOW IF triathlon | Year-round / Seasonal / No access |
| 4.7 | Open water access? | Select | SHOW IF triathlon | Yes — easy access / Yes — but limited / No |
| 4.8 | Do you have a wetsuit? | Select | SHOW IF triathlon | Yes / No |

---

# SECTION 5: Discipline Detail — BIKE

*ENTIRE SECTION: SHOW IF 2.1 = any triathlon option OR Cycling Event HIDE IF 2.1 = Marathon / Half Marathon / Ultra / 10K / 5K*

| # | Question | Field Type | Condition | Options / Notes |
|---|---|---|---|---|
| 5.1 | Average speed on a 1hr+ ride (km/h) | Number | SHOW IF triathlon or cycling | This replaces the vague "Bike Fitness: 100-150" from the old form |
| 5.2 | Current weekly bike volume (km or hours) | Text | SHOW IF triathlon or cycling | e.g. "80km" or "4 hours" |
| 5.3 | Longest ride in last 4 weeks (km or hours) | Text | SHOW IF triathlon or cycling | Determines where long ride progression starts |

| | | | | |
|---|---|---|---|---|
| 5.4 | FTP (Functional Threshold Power) if known | Number + checkbox | SHOW IF triathlon or cycling | Number field + "Don't know / No power meter" checkbox |
| 5.5 | Bike type | Select | SHOW IF triathlon or cycling | Road bike / TT/Tri bike / Hybrid / Mountain bike / Gravel |
| 5.6 | Do you have a power meter? | Select | SHOW IF triathlon or cycling | Yes / No |
| 5.7 | Indoor bike trainer access? | Select | SHOW IF triathlon or cycling | Yes / No |

---

# SECTION 6: Discipline Detail — RUN

*SHOW ALWAYS (every plan type includes running)*

| # | Question | Field Type | Options / Notes |
|---|---|---|---|
| 6.1 | Current weekly running distance (km) | Number | Required |
| 6.2 | Longest run in last 4 weeks (km) | Number | Required |
| 6.3 | Current easy run pace (min:sec per km) | Text | e.g. "5:45" — needed to set Z2 run targets |
| 6.4 | Recent standalone run race time (if any) | Text | e.g. "5K in 22:30" or "Half marathon 1:48". Write "N/A" if none. A standalone race is more accurate for zones than a triathlon run split |
| 6.5 | Do you have treadmill access? | Select | Yes / No |

---

# SECTION 7: Discipline Ranking

*Conditional based on sport type*

| # | Question | Field Type | Condition | Options / Notes |
|---|---|---|---|---|
| 7.1 | Which discipline is your WEAKEST? | Select | SHOW IF triathlon | Swim / Bike / Run |
| 7.2 | Which discipline is your STRONGEST? | Select | SHOW IF triathlon | Swim / Bike / Run |

**WHY THIS MATTERS:** Weakest gets 35% of training volume. Strongest gets 25% (maintain only). Need both to set the balance.

*For non-triathlon athletes (runners, cyclists), this section is hidden — there's only one discipline.*

---

## SECTION 8: Schedule & Availability

*All SHOW ALWAYS*

| # | Question | Field Type | Options / Notes |
|---|---|---|---|
| 8.1 | How many days per week can you train? | Select | 3 / 4 / 5 / 6 / 7 |
| 8.2 | How many rest days do you want per week? | Select | 1 / 2 / 3 |
| 8.3 | Preferred training times | Multi-select | Before 6am / 6–8am / Lunch (11am–1pm) / Afternoon (3–5pm) / Evening (5–8pm) |
| 8.4 | Which days are consistently available? | Multi-select | Mon / Tue / Wed / Thu / Fri / Sat / Sun |
| 8.5 | Maximum session length on weekdays | Select | 30 min / 45 min / 60 min / 75 min / 90 min / 2 hours |
| 8.6 | Maximum session length on weekends | Select | 1 hour / 90 min / 2 hours / 3 hours / No limit |
| 8.7 | Are you happy doing two sessions in one day (double days)? | Select | Yes / No / Sometimes |

| | | | |
|---|---|---|---|
| 8.8 | If yes — which double-day combos work for you? | Multi-select | SHOW IF 8.7 = "Yes" or "Sometimes". Options: AM swim + PM run / AM ride + PM swim / AM run + PM swim / AM ride + PM run / Any combo depending on the day |
| 8.9 | Which day do you prefer for your long session (long ride or long run)? | Select | Saturday / Sunday / Either |
| 8.10 | Which day do you prefer for your rest day? | Select | Monday / Tuesday / Wednesday / Thursday / Friday / Saturday / Sunday / Flexible |
| 8.11 | Do you work shifts or irregular hours? | Select | No — standard hours / Yes — rotating shifts / Yes — night shifts / Yes — FIFO or travel-based |
| 8.12 | Any weeks in the training period where you'll be unable to train? (holidays, work travel, etc.) | Text | Optional. e.g. "2 weeks in Bali in July" or "None" |

---

## SECTION 9: Equipment & Access

*Most SHOW ALWAYS, some conditional*

| # | Question | Field Type | Condition | Options / Notes |
|---|---|---|---|---|
| 9.1 | Do you have a GPS watch or heart rate monitor? | Select | SHOW ALWAYS | GPS watch + HRM / GPS watch only / HRM only / Neither |
| 9.2 | Gym or strength training equipment access? | Select | SHOW ALWAYS | Full gym / Home weights / Bodyweight only / None |
| 9.3 | Equipment budget for upgrades? | Select | SHOW ALWAYS | None / Under $200 / $200–500 / $500+ |

*Note: Pool access, OW access, wetsuit, bike type, power meter, trainer, and treadmill are already asked in the discipline sections above — no need to duplicate.*

---

## SECTION 10: Health & Recovery

*All SHOW ALWAYS*

| # | Question | Field Type | Options / Notes |
|---|---|---|---|
| 10.1 | Do you have any current injuries or physical limitations? | Select | Yes / No |
| 10.2 | Describe your current injury or limitation | Text | SHOW IF 10.1 = "Yes". Free text — e.g. "rolled ankle, 2 weeks old" |
| 10.3 | Injury history (past 2 years) — anything that recurs? | Text | SHOW IF 10.1 = "Yes". e.g. "IT band flares up every 3 months" or "None" |
| 10.4 | Average sleep per night | Select | Less than 5 hrs / 5–6 hrs / 6–7 hrs / 7–8 hrs / 8+ hrs |
| 10.5 | Current life stress level | Select | Low — manageable / Moderate — some pressure / High — work or life is very demanding |
| 10.6 | Do you currently use race nutrition (gels, chews, etc.)? | Select | Yes — tested and dialled / Yes — but still experimenting / Never used race nutrition |
| 10.7 | Any dietary restrictions or allergies? | Text | Optional. e.g. "Vegan" or "Gluten-free" or "None". Relevant for nutrition recommendations |
| 10.8 | Do you currently do any strength or gym training? | Select | Yes — regularly (2+ times/week) / Yes — occasionally / No |

---

# SECTION 11: Motivation & Preferences

*All SHOW ALWAYS*

| # | Question | Field Type | Options / Notes |
|---|---|---|---|
| 11.1 | How do you prefer to train? | Select | Alone / With a partner / In a group / Mix of all |
| 11.2 | How do you feel about hard/intense sessions? | Select | Love them — bring it on / Tolerate them — necessary evil / Dread them — prefer easy volume |
| 11.3 | What has held your training back in the past? | Text | Free text. e.g. "Motivation", "Injuries", "Work schedule" |

| | | | |
|---|---|---|---|
| 11.4 | What motivates you most? | Text | Free text. e.g. "Feeling fit", "Racing friends", "Proving something to myself" |
| 11.5 | In your own words — what does success look like on race day? | Text (long) | Free text. This is the athlete's voice — it shapes the coach notes |

---

# CONDITIONAL LOGIC SUMMARY

## Based on Q2.1 (What are you training for?)

| If athlete selects... | SHOW these sections | HIDE these sections |
|---|---|---|
| Sprint / Olympic / 70.3 / Full Ironman | Swim (S4), Bike (S5), Run (S6), Discipline Ranking (S7) | Nothing hidden |
| Marathon / Half Marathon / Ultra / 10K / 5K | Run (S6) only | Swim (S4), Bike (S5), Discipline Ranking (S7) |
| Cycling Event | Bike (S5), Run (S6) | Swim (S4), Discipline Ranking (S7) |
| Other | Run (S6), Bike (S5) | Swim (S4), Discipline Ranking (S7) — show a note: "Contact us if your event doesn't fit these categories" |

## Other conditional questions

| Question | Condition to SHOW |
|---|---|
| 2.5 Target finish time | 2.4 = "Hit a target time" OR "Podium" OR "Qualify" |
| 2.7 Previous finish time at distance | 2.6 = "Yes" |
| 3.3 Individual split times | 2.1 = any triathlon option |
| 8.8 Double-day combos | 8.7 = "Yes" OR "Sometimes" |
| 10.2 Describe injury | 10.1 = "Yes" |
| 10.3 Injury history | 10.1 = "Yes" |

---

# FORM SETTINGS

- **Required vs Optional:** All questions are required UNLESS marked "Optional" in the notes column
- **Form length:** Should take 8–10 minutes to complete
- **Progress bar:** Show a progress bar at the top so athletes know how far through they are
- **Sections as pages:** Each section (1–11) should be its own page/step in the form — don't show all questions on one long page
- **Thank you page:** After submission, show: "Your data has been received. Your personalised plan will be delivered within 48 hours. Check your email for confirmation."
- **Webhook:** Tally webhook sends the completed form data to your Vercel API route for storage in Supabase

---

# TOTAL QUESTION COUNT BY ATHLETE TYPE

| Athlete Type | Questions Seen | Estimated Time |
|---|---|---|
| Triathlete (most questions) | ~45 questions | 8–10 min |
| Marathon / Half / Ultra runner | ~30 questions | 5–7 min |
| Cyclist | ~35 questions | 6–8 min |
